

Subject: Public Records Request – Drone/UAS Activity Near Barksdale AFB (March 9–15, 2026)

Dear Records Custodian,

Pursuant to the Louisiana Public Records Law, I respectfully request access to records related to unauthorized drone or unmanned aerial system (UAS) activity in the vicinity of Barksdale Air Force Base between March 9 and March 15, 2026.

This request pertains to publicly reported drone incursions near Barksdale Air Force Base during this timeframe.

This request is limited to the following:

1. Incident reports, call logs, or dispatch records referencing drone or unmanned aerial activity
2. Any reports or summaries generated by the Bossier Parish Sheriff's Office related to such activity
3. Any non-sensitive communications or coordination with state or federal agencies regarding these incidents

To minimize burden, this request is limited to finalized or summary-level records and does not seek sensitive law enforcement techniques or operational details.

If portions of responsive records are exempt, please release all reasonably segregable non-exempt material.

I request these records in electronic format if available.

Thank you for your time and assistance.

Sincerely,
Justin Long
