

Pursuant to Article I, Section 24 of the Florida Constitution and Chapter 119, Florida Statutes, I respectfully request body-worn camera footage and related dispatch records pertaining to the primary CAD event involving the large group disturbance at or near Bayside Marketplace (401 Biscayne Blvd, Miami, FL) on January 1, 2024.

This request is limited to the following:

1. Body-worn camera footage from the first three uniformed patrol officers assigned to and remaining active on the primary CAD event, from initial on-scene arrival through the "all clear" transmission issued at approximately 23:07 hours (covering roughly 22:25 hours through 23:08 hours). To minimize review burden and associated costs, this request may be satisfied by providing continuous footage from those same three officers for the full duration of their active involvement within that time window.
2. The CAD/dispatch log for the same primary event, including officer unit assignments, timestamps, and narrative entries.

If any portion of the requested records is exempt from disclosure under Florida law, please redact only the exempt material and provide the remainder, citing the specific statutory exemption(s) relied upon.

If no body-worn camera footage responsive to this request exists, please provide written confirmation of that fact.

Please include the primary CAD event number associated with this incident in the response.

If there are anticipated costs associated with fulfilling this request, please provide a written estimate prior to processing.

Electronic delivery is preferred.

Thank you for your assistance.
