Dear Justin Long,

Thank you for reaching out to the Brazos County Sheriff's Office. You will receive an email from JustFOIA with a download link, and the available records you have requested can now be accessed.

Based on the information you provided, we have no records in response to the majority of your request.

**This request includes, but is not limited to:**

- Incident reports, offense reports, supplemental reports, investigator reports, and case files. **Incident report provided.**
- Records relating to the necropsy reportedly ordered by the Brazos County Sheriff's Office in April 2023 concerning a cattle carcass with similarities to other reported incidents in the region. **No Record.**
- Necropsy reports, laboratory reports, veterinary findings, examinations, analyses, or related records received by or provided to the Brazos County Sheriff's Office. **No Record.**
- Communications, emails, correspondence, memoranda, or notes exchanged with the Madison County Sheriff's Office, Robertson County Sheriff's Office, Texas Animal Health Commission, Texas Department of Public Safety, veterinarians, laboratories, or other agencies regarding these incidents. **No Record.**
- Records reflecting investigative findings, determinations, conclusions, case status, or closure status. **No Record.**
- Records identifying any associated case numbers. **Incident report provided.**

Thank you,

Brazos County Sheriff's Office
